The background is a vibrant blue with a radial pattern of thin white lines emanating from the center, creating a sense of motion or energy. At the top and bottom edges, there are stylized white clouds with black outlines. A large, jagged white lightning bolt with a black outline cuts diagonally across the scene from the top right towards the bottom left. In the top left and bottom right corners, there are areas filled with a pattern of small blue dots, resembling a halftone or dithering effect.
